

Preschool Storytime

All NEW Preschool Storytimes!!

To better meet the needs of our community, beginning in January, the TPL will offer TWO separate types of storytimes!

F.A.S.T (Families at Storytime Together)

Mondays: 10-10:45am

This storytime is designed just for preschool aged children and their parent/caregiver. You and your child will receive individualized instruction to inspire the love of learning and reading. Why not come "F.A.S.T" to the TPL?

S.T.A.G.E (Storytime: All Groups Engaged!)

Mondays: 9:15-9:45am

This storytime is specifically for preschools and daycares in our community. Larger group games and activities will be provided to best fit the literacy needs of a group setting. Pre-registration is required to ensure adequate materials for your group. Set the "stage" for your group's reading success!

January 7th: Snowmen!

Brrrrr! Enjoy this super cool storytime all about snowmen. Kids will read snowmen stories, make a paper plate snowman to take home, and play a name game using mini marshmallows as snowballs!

January 14th: Super Shapes!

This is a great storytime program to help your child learn about different shapes all around us! Kids will read fun stories, search for shapes around the library, and make shapes using Legos.

January 28th: Groundhog Day!

Be prepared to search for your shadow at our special Groundhog Day program! Kids will read stories about groundhogs, make a groundhog mask, and play an alphabet hop while wearing their masks!
