

Adult Reading Program Spring 2019

Book Bingo!

Welcome to the First Spring Reading Program for adults 18 and up!

Have you played Bingo before? This reading program is just like that! Read five books in a row (vertical, horizontal, or diagonal) as listed on the "Book Bingo" card on the back of this sheet and you get a bingo! Once you have gotten a Bingo, bring your "winning" card into the Tolono Public Library for staff to initial. You will then get an entry into a drawing for one of two gift baskets!

You can continue to participate in the Reading Program and get bingos until your bingo card is completely full.

Winners will be called May 1st.

All books must be from the Tolono Public Library.
