## **Collaboration**

We look to enhance our outreach and strengthen our community impact by forming strategic partnerships.

### **Objectives:**

1. Connect with our municipal, educational, park district, and other stakeholders to gain local insights.
2. Identify new opportunities for the District to accommodate its communities and stakeholders.

## **Facilities**

We look to reimagine existing physical assets

### **Objectives:**

1. Evaluate interior space utilization to determine if we maximize our space's full potential.
2. Assess our facility to ensure we meet the ADA requirements.
3. Housekeeping items: Address notable needs by planning and budgeting to complete those tasks.

## **Staff Evaluation**

We want to improve the care of our staff through the benefits we offer, such as workspace and workflow evaluations.

### **Objectives:**

1. Explore opportunities for professional development
2. Develop more streamlined processes for workflow efficiency.

# Strategic Plan 2025

## Public Services

We will strive to offer new services and a variety of programming and evaluate the Library District's current position on our policies.

### Objectives:

1. Explore new programming opportunities.
2. Evaluate how programs are scheduled with our hours of operation.
3. Explore new technology and software we can offer.
4. Evaluate the Library District's current policies and procedures to ensure they align with its mission and vision while ensuring we are at the forefront of inclusion to better serve the diverse population we represent.
